

TRADITIONAL WOUND CARE

Conforming Gauze Bandage Rolls

Superior Conformability. Reliable Wound Protection. Exceptional Veterinary Performance.

Overview

Vero Animal Health Conforming Gauze Bandage Rolls are designed to provide exceptional flexibility, secure dressing retention, and reliable performance during veterinary wound management.

Manufactured from a soft, lightweight rayon/polyester blend, these bandages conform naturally to the anatomical contours of animals of all sizes, including limbs, joints, and difficult-to-bandage areas.

Their stretchable, breathable construction helps maintain dressing placement while accommodating normal animal movement.

Key features

- Superior flexibility and conformability
- Excellent stretch and recovery
- Secure wound dressing retention
- Soft, lightweight, breathable construction
- Low-linting material
- Multiple widths for different veterinary applications

Available configurations

WIDTH	LENGTH (STRETCHED)	STERILITY	PACKAGING
2" (5 cm)	4 yd (3.6 m)	Non-sterile	Individually wrapped
3" (7.5 cm)	4 yd (3.6 m)	Non-sterile	Individually wrapped
4" (10 cm)	4 yd (3.6 m)	Non-sterile	Individually wrapped
6" (15 cm)	4 yd (3.6 m)	Non-sterile	Individually wrapped

Specifications

Material	Soft, lightweight rayon/polyester blend
Widths	2" (5 cm) · 3" (7.5 cm) · 4" (10 cm) · 6" (15 cm)
Length	4 yd (3.6 m) stretched
Latex	Latex-free
Sterility	Non-sterile
Packaging	Individually wrapped rolls

Applications

- Securing primary dressings
- Limb and joint bandaging
- Difficult-to-bandage areas
- Wound protection during normal movement
