

GENERAL CARE

Foot Care Cleansing Foam

No-rinse foam that cleans between the toes, soothes cracked pads and helps keep yeast and odour under control.

Overview

Paws take the abuse of hot pavement, winter road salt, lawn chemicals and constant moisture between the toes. A cleansing foam lets owners deal with it in thirty seconds: dispense, massage into the paw, wipe — no water, no towel wrestling.

The formula combines gentle surfactants with tea tree-free antifungal actives, aloe and shea butter, so it cleans and conditions in one step and is safe if the pet licks its paws afterwards.

Key features

- No-rinse cleansing foam — dispense, massage, wipe
- Removes salt, dirt, pollen and lawn-care residue
- Helps control yeast and odour between toes
- Aloe and shea butter soothe dry, cracked pads
- Chlorhexidine-free and safe if licked
- Suitable for dogs and cats

Specifications

Volume	200 mL foaming pump
Key ingredients	Coco-glucoside, aloe vera, shea butter, undecylenic acid
Suitable for	Dogs and cats over 8 weeks
Shelf life	24 months
Packaging	Retail bottle; 12 per case

Applications

- Daily paw hygiene after walks
