

TRADITIONAL WOUND CARE

Non-Woven All-Purpose Sponges

Superior Absorbency. Minimal Linting. Reliable Veterinary Performance.

Overview

Manufactured from a premium rayon/polyester blend, Vero Animal Health Non-Woven All-Purpose Sponges combine rapid fluid wicking, low-linting construction, and excellent handling characteristics.

Their soft, flexible structure provides an effective alternative to conventional woven gauze for routine wound cleansing, skin preparation, topical treatments, and veterinary procedural applications.

Key features

- Premium rayon/polyester material
- Superior absorbency and rapid fluid wicking
- Low-linting construction
- Soft, flexible, and gentle on tissue
- Standard 30G and Premium 40G grades
